To be awarded the **NCFE Level 1 Technical Award in Interactive Media (601/0851/5)** you are required to successfully achieve **4 mandatory units**.

Planning and tracking your assessment

This tracker will help you to record the work you've done and the work you still need to do to finish your portfolio. You need to complete this tracker for each mandatory unit. In the evidence section, you should include the type of work you have produced (ie illustration, table, written work) and the portfolio page number.

It will also help your Teacher/Assessor, Internal and External Quality Assurers find their way around your portfolio so they can check it. Your Teacher/Assessor will make sure you're completing your tracker correctly.

You and your Teacher/Assessor and/or an independent witness must sign and date the individual pieces of work in your portfolio. Once you've completed each unit, you must sign to say that the work is your own, or that you have referenced it if it is someone else's work. Your Teacher/Assessor will then grade and sign the tracker, to show that they're satisfied you've completed it correctly.
