# Education, Training and Assessment

## Progression map

This progression map details many of the qualifications available within this sector but is just a taster of what we have to offer. Please visit our website [www.QualHub.co.uk](http://www.QualHub.co.uk) to view our full portfolio.

**A** Apprenticeship   **L** Legacy Qualification   **M** Mapped to Standard   **P** Performance Points   **U** UCAS Points   **W** Workforce Options

For details on the many qualifications that will support learners' general progression, please see our **Supporting Qualifications** document which provides information on all of the qualifications found below. All qualifications in this map are eligible for funding. Please check the **ESFA Hub** and relevant Funding Rules or Guidance for confirmation on which funding streams they are eligible under plus the learner eligibility criteria.

Awareness Suite

Equality and Diversity

Employability

Learning to Learn

Personal and Social Development

Functional Skills

English and Maths

## Your curriculum planning tool

Whether you are based in a college, training provider or school, this document has been designed to help you plan which qualifications you would like to deliver.

Remember to visit [www.QualHub.co.uk](http://www.QualHub.co.uk) to view our full portfolio of qualifications across all sectors.

### Using this product guide

Qualifications are grouped into subject areas which makes the document easy to navigate.

**A** **Level 3 Award in Assessing Competence in the Work Environment**

**D** Minimum Entry Age: 19 **LRA** **ncfe.** **C**

#### KEY

- APP** Apprenticeship Framework
- LEG** Legacy Qualification
- LRA** Learning Resources Available
- MAP** Mapped to Apprenticeship Standard
- PFE** Preparation for Employment
- PP** Performance Points
- UCAS** UCAS

Please note, all qualifications in this guide are eligible for funding. Please check the ESFA Hub and relevant Funding Rules or Guidance for confirmation on which funding streams they're eligible under plus the learner eligibility criteria.

### Understanding the qualification pages

- A** This is the qualification title.
- B** This is the Qualification Reference Number (QRN).
- C** The **NCFE** logo may be applied here to identify qualifications which fall within the **NCFE** portfolio. Unless stated, all other qualifications within this brochure are **CACHE** branded.
- D** This is the recommended entry age for the qualification.
- E** The icons in this area are intended to give you more information about each of the qualifications. This includes performance points, UCAS points, learning resources and more. Please see the key on the left to find out what each icon means.
- F** This feature helps you to understand which qualifications complement the one you are looking at.
- G** The credit value (if applicable) for the qualification will appear here.
- H** All qualifications are supported by a Qualification Specification. However, in many cases, there are additional materials available including sample portfolios, learning and delivery resources from third parties and more. If these additional support materials are available for the qualification, we will list who they are supplied by here.

## Working together

The best teams work together as a unit to achieve outstanding results. That is why we work with a network of established third parties to provide a wide range of materials to support our qualifications. Here you will find further information about each third party and how they can help you.

### Hallmark Education

Hallmark Education publishes high quality learning resources to support the cost-effective delivery of a wide range of NCFE qualifications.

The team at Hallmark has been helping NCFE and CACHE centres for over 10 years.

With a wealth of experience in educational publishing, learner recruitment, tutor training and audit compliance, Hallmark can offer services including:

- high-quality learning resources
- tutor support
- consultancy
- employer engagement and learner find.

### Laser Systems

Laser Systems team members are education professionals with a wealth of knowledge and experience in quality and assessment, and have created an e-portfolio which is intuitive for both assessing teams and learners.

As well as an industry-leading e-portfolio, Laser Systems also provides high-quality online learning resources for full qualifications and CPD short courses. Learning resources combine filmed tutorials with a professional presenter, video good practice examples, reading, extended learning, and an interactive quiz. For full qualifications, available learning resources cover knowledge for each learning outcome. Laser Systems prides itself on its customer service, providing support and guidance for Laser users from day one, and takes part in events and standardisation days alongside NCFE and CACHE.

### Learning Curve Group

Learning Curve Group (LCG) supports over 200 NCFE and CACHE centres with strategies that increase adult learning engagement. Their services include:

- NCFE and CACHE approved learning and assessment content, available both online and in paper formats, for AEB, Apprenticeships and loan funded provision.
- An innovative online learning and assessment platform that provides a quick and efficient tracking mechanism, enabling providers to monitor learner progression.
- Consultancy services led by respected FE specialist Beej Kaczmarczyk.
- Recruitment of applicants for PAYE and self-employed vacancies.
- Support with links to levy paying employers.

LCG aims to maximise your offer around loans, levy and localism whilst also enabling best practice that keeps learners safe.
