Dear Adrian

I am writing in support of the following qualifications:

NCFE CACHE Level 2 Diploma in Health and Social Care (Adults) (Northern Ireland).

NCFE CACHE Level 3 Diploma in Health and Social Care (Adults) (Northern Ireland).

NCFE CACHE Level 3 Extended Diploma in Health and Social Care (Adults) (Northern Ireland).

NCFE CACHE Level 5 Diploma in Leadership for Health and Social Care Services (Northern Ireland).

I believe these qualifications are valuable for learners because they support employability, progression to further learning at a higher level and progression to higher education within Northern Ireland.

NWRC deliver training to over 15,000 both full and part-time students in a number of areas with over 3,000 students within the Dept. of Health & Sport.

I anticipate that in Year 1 we will register 20 students on each of these courses with this continuing through following years.

Completion of these qualifications will prepare learners to progress from Level 2 to the Level 3 Extended Diploma or Level 5 Diploma in Health and Social Care (Northern Ireland) or enter the workforce into a variety of roles and/or careers.

The Level 2 and 3 Diploma qualifications are suitable for anyone aged 16 and upwards and the Level 5 Diploma qualification is suitable for anyone aged 19 and upwards and who is already in the role of manager/deputy manager in a Health & Social Care setting.
