Dear Adrian

I am writing in support of the NCFE CACHE Level 3 Extended Diploma in Health and Social Care (Adults) (Northern Ireland)

At the school of Nursing and Allied Health, we are passionate about delivering better outcomes for patients and service users by providing education opportunities for aspiring and practicing health and social care professionals.

This qualification will provide individuals who have an interest in health and social care with an opportunity to develop their skills, knowledge and understanding to an advanced level. This will prepare learners to progress onto a range of higher education courses within the health and social care sector.

Being a University, we do not offer the NCFE CACHE Level 3 Extended Diploma in Health and Social Care (Adults) (Northern Ireland) but we find it to be valuable and consider it to be fit for purpose and suitable for meeting entry requirements to a range of our courses, providing the required UCAS tariff points for that particular programme is met.

The NCFE CACHE Level 3 Extended Diploma in Health and Social Care (Adults) (Northern Ireland) contributes towards our entry requirements for a range of our courses, including:

- BSc Adult Nursing
- BSc Child Nursing
- BSc Mental Health Nursing
- BA Midwifery
- BSc Paramedic Science

By signing below I provide my consent for the contents of this letter to be published electronically on NCFE Group websites for the purposes of demonstrating endorsement and understand that quotes could be used in marketing material. I also acknowledge that the contents of this letter may be kept on record by NCFE Group where required for audit, legal or regulatory purposes.

Yours faithfully,
