**Assessment adaptation**

Assessment	Approach following autumn 2020 adaptations	Additional adaptations for 2020/21
	<i>What we require for this type of assessment at present, including flexibilities already introduced in autumn 2020.</i>	<i>The additional flexibilities and adaptations that will apply during 2020-21.</i>
Internal assessment: knowledge	Internal assessment should continue remotely, where relevant, for all students where possible.  We believe that the flexibilities which centres already have with respect to the types of evidence they may use to meet assessment criteria, are sufficient to enable most students to continue to mitigate the ongoing Covid related risks.	Internal assessment should continue remotely, where relevant, for all students where possible. Where internal assessment continues, all previously communicated adaptations still apply.  This qualification is in scope for alternative arrangements and if required can be awarded via an assessed grade from the centre. The minimum evidence threshold requirements are

	<p>We would also encourage centres to consider how they might use alternative and / or digital solutions to gather and store evidence including, for example:</p> <ul style="list-style-type: none"><li>• centre-set short response or multi-choice tests</li><li>• professional discussion recordings</li><li>• annotated learning plans</li><li>• photos and videos.</li></ul> <p>You can find further advice and guidance on the preparation of portfolios of evidence <a href="#">here</a>.</p> <p>We will also continue to offer remote EQA reviews and further guidance on how to prepare for this can be found <a href="#">here</a>.</p>	<p>outlined in our <b>Approach to Alternative Awarding Arrangements 2020/21</b>.</p>
