Qualification Purpose	This qualification is designed for learners with an interest in health and fitness. It will provide learners with experience of using different training techniques and methods to enable them to use these within further education or apprenticeships. It will also provide them with the opportunity to develop and experience their own fitness programme.

Assessment adaptation

Assessment	Approach following autumn 2020 adaptations	Additional adaptations for 2020/21
	<i>What we require for this type of assessment at present, including flexibilities already introduced in autumn 2020.</i>	<i>The additional flexibilities and adaptations that will apply during 2020-21.</i>
Internal assessment: skills and knowledge	Internal assessment should continue remotely, where relevant, for all students where possible. We believe that the flexibilities which centres already have with respect to the types of evidence they may use to meet assessment criteria, are sufficient to enable most students to continue to mitigate the ongoing Covid related risks.	Internal assessment should continue remotely, where relevant, for all students where possible. Where internal assessment continues, all previously communicated adaptations still apply. This qualification is in scope for alternative arrangements and if required can be awarded via an assessed grade from the centre. Whilst the next phase

	<p>We would also encourage centres to consider how they might use alternative and / or digital solutions to gather and store evidence including, for example:</p> <ul style="list-style-type: none">• centre-set short response or multi-choice tests• professional discussion recordings• annotated learning plans• photos and videos. <p>We appreciate that to create and capture evidence for the skills aspect of these assessments, students may need access to specialist facilities / equipment. As our existing guidance permits, to mitigate Covid related challenges in accessing facilities / equipment, we would encourage centres to consider, for example</p> <ul style="list-style-type: none">• using expert witness testimonies to confirm the observation of student competence over time where direct observation is not possible• using observation of simulated activity to evidence the demonstration of competence where direct observation is not possible• using digital solutions to capture evidence remotely where students can access required facilities / equipment away from the centre, but teaching staff cannot observe at that location• carefully considering how you schedule teaching, learning and assessment activity during the year, recognising that you may not be able to access specialist facilities / equipment in all weeks <p>You can find further advice and guidance on the preparation of portfolios of evidence here.</p>	<p>of the Ofqual consultation continues, we will work together with Ofqual, sector partners and other awarding organisations to agree common approaches to setting minimum evidence thresholds for an assessed grade from the centre for this qualification and will confirm this by updating this addendum in April. In the meantime, teaching and learning should continue as much as possible as all completed work would form the basis of an assessed grade from the centre.</p>
