Qualification adaptation

Qualification title & QN	NCFE CACHE Level 2 Award in Introduction for Workplace Health Champions
Existing rule of combination	<p>Learners must achieve one mandatory unit.</p> <p>This is a short, knowledge-based qualification, which is fully achievable within the existing adaptations. It has not been deemed necessary to reduce or remove any content.</p>

Assessment adaptation

Assessment blueprint category	Our current requirements for this assessment
Internal assessment – knowledge	<p>Internal assessment should continue remotely, where relevant, for all learners where possible.</p> <p>We believe that the flexibilities that centres already have with respect to the types of evidence they may use to meet assessment criteria, are sufficient to enable most learners to continue to mitigate the ongoing Covid-related risks.</p> <p>We would also encourage centres to consider how they might use alternative and/or digital solutions to gather and store evidence including, for example:</p> <ul style="list-style-type: none">• centre-set short response or multi-choice tests• professional discussion recordings• annotated learning plans

You can find further advice and guidance on the preparation of portfolios of evidence [here](#).

We will also continue to offer remote EQA reviews and further guidance on how to prepare for this can be found [here](#).

This qualification is in scope for alternative arrangements and if required can be awarded via a Teacher Assessed Grade (TAG) from the centre.

Further information and guidance on TAG evidence can be located [NCFE's approach for 2020-21](#) document. If centres require additional support, they can discuss this with their allocated External Quality Assurer (EQA) and a further review can be arranged if required to support.
