

Qualification factsheet

Qualification overview

Qualification title	NCFE Level 2 Certificate in Data Analysis		
Qualification number (QN)	603/3916/0		
Total qualification time (TQT):	135	Guided learning hours (GL)	120
Entry requirements:	<p>This qualification is designed for learners who want to improve their knowledge and skills of data analysis.</p> <p>There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they've achieved an Entry Level 3 qualification in Maths and Entry Level 3 qualification in ICT.</p> <p>This qualification is suitable for learners aged pre-16 and above. Centres are responsible for ensuring that this qualification is appropriate for the age and ability of learners. They need to make sure that learners can fulfil the requirements of the learning outcomes and comply with the relevant literacy, numeracy and health and safety aspects of this qualification.</p> <p>Learners registered on this qualification shouldn't undertake another qualification at the same level with the same or a similar title, as duplication of learning may affect funding eligibility.</p>		

About this qualification

This qualification is designed for learners who want to improve their knowledge and skills of data analysis. It will support learners in a number of sectors and job roles where an understanding of data analysis is required. Learners may also progress onto further study

Qualification structure

To be awarded this qualification, learners are required to successfully complete 5 mandatory units.

Mandatory units

01 Introduction to data analysis
02 The role of a data analyst
03 Collection, processing and preparation of data
04 Interpretation of data
05 Communication and presentation of data

Assessment

The NCFE Level 2 in Data Analysis (603/3916/0) is internally assessed via a portfolio of evidence which is externally quality assured.

Progression opportunities

The objectives of this qualification are to:

- focus on the study of data analysis
- offer breadth and depth of study, incorporating a key core of knowledge
- provide opportunities to acquire a number of practical and technical skills.

Learners who achieve this qualification could progress to:

- NCFE Level 2 Certificate in Digital Skills for Work (603/3114/8)
- NCFE Level 2 Certificate in Understanding Data Protection and Data Security (603/3639/0)
- Level 2 and 3 qualifications in Data Analytics/Programming.

It may also be useful to learners studying qualifications in the following sectors/areas:

- Business, Administration and Law
- Information and Communication Technology
- Retail
