Trainer Profiles

Cheryl Cameron

Cheryl is evidently very passionate about education as she has worked in the Further Education sector for 17 years! Cheryl has an extensive and broad knowledge in the sector having worked across various institutions including FE colleges, Universities, and Private Training Providers in many job roles including working as a teacher, lecturer, assessor, IQA, teaching, learning and assessment coach, Programme Manager and Head of Department. Cheryl has worked for NCFE since March 2020 as an EQA and is particularly interested in teacher education, as well as education and training qualifications. She has delivered a range of qualifications including A Levels, NVQs, apprenticeship standards, awards, certificates and diplomas, from Level 1 to Level 7 across the Business, IT and Sales sector. Aside from Cheryl's impressive professional background, she loves to spend her spare time with family and friends and enjoys cooking, walking her 2 whippets (especially at the beach), listening to music and reading. Cheryl and her family also own a VW campervan and love going on weekend adventures!

Vanessa Osbourn

Vanessa has been a qualified and practising EQA for over 10 years and has worked for NCFE for 3 of them in the role of an External Quality Assurer. She has spent over 25 years in the Sport, Fitness, Exercise and Leisure Industry as a qualified practitioner working as a Teacher, Assessor and Internal Quality Assurer across Primary, Secondary, Further Education and Higher Education establishments. Additionally, Cheryl has worked in the private sector with charities, large commercial training organisations, Community Interest Companies and the public sector working for Local Councils. She has run her own business working as a consultant advising on education, training, assessment, internal quality assurance, apprenticeships, end point assessment, learning and development and mentoring. She has been Head of Quality in a large College and has worked across the Fitness, Sport and Leisure Industry as an Instructor, Coach and Manager. She has a wealth of knowledge and experience which she uses to support our Centres within her region. In her spare time, she volunteers supporting various local clubs, charities and support networks. She also enjoys swimming, cycling, hiking, paddle boarding, kayaking and the occasional horse riding.

Jenny Morgan

Jenny has worked with NCFE since 2008 and excels in her current role as an External Quality Assurer. As well as being an EQA, Jenny is also a qualified IQA, Trainer, and Teacher. Following a career in Further Education, Jenny has worked with a range of educational organisations where she has demonstrated exceptional leadership skills, having delivered training and led on various projects at national level. Jenny has knowledge and experience of assessment in several sectors including Preparation for Life and Work, Functional Skills and Business, IT and Sales. In her spare time Jenny is a cake decorator and enjoys entering competitions.

Julie Berryman

Julie is a valued member of the External Quality Assurance Team with NCFE and has over 40 years of experience working and managing within the Health, Childcare and Education sector. She really enjoys her work and likes the varied responsibilities of her role with NCFE. Julie provides exceptional support to her centres, both in the UK and internationally, and helps them in understanding the quality requirements of our qualifications, along with the approval and quality review processes.

Stephen Parry

Stephen has worked with NCFE as an EQA for 10 years within the Sport, Uniformed Services and Travel sector. He is experienced in his role and has also worked on other related projects like writing and developing sports qualifications. Prior to working full time for NCFE, Stephen worked in the Further Education and Private Sector in a range of roles. He has taught as a lecturer and has managed as head of department and head of quality and has also delivered training courses and written apprenticeship standards. When he is not supporting his centres, Stephen can normally be found watching his children playing sport, driving, or walking his young spaniel around the local fields.
