Task 2(a)(i) – preparation for peer discussion form

Copy this table to provide individual feedback for each student within your group.

Student name:	
Activity plan:	
Date:	

State one aspect of the student’s activity plan that you thought would work well and why.
Prepare one question to ask about the student’s activity plan. Your question should be about how and why they have designed the plan the way it is.
Provide one example of how you feel the student’s activity plan could be improved.

The tutor must sign this piece of work for the purposes of validation.

Questions you were asked by your peers.
Examples of how your peers think that your activity plan could be improved.

Task 3 – tutor discussion

Note: The spaces provided below are **not** indicative of length of response required. Consideration should be given to the time limit stated in the 'Conditions of the assessment' section of the task.

You should consider the following areas when presenting and justifying your planned approach and activity plan. You may use the headings below or consider an alternative approach to setting out the details of your discussion points (for example, presentation slides).

Key elements of your planned approach/early support plan

Details of your activity

How your activity will support your planned approach

Details of the review undertaken as a result of the peer discussion

Once you have presented, your tutor will ask you questions on the following areas:

- how your approach is informed by educational theories, concepts or pedagogies
- how your communication skills and selected resource will support the child's progress
- how well you feel your planned approach and/or activity plan meets a specific element of the brief

You can use this information to support your response to questions asked. You must ensure you are able to capture an audio recording to submit as evidence.

Task 4 – reflective account

Note: The spaces provided below are **not** indicative of length of response required. Consideration should be given to the time limit stated in the 'Conditions of the assessment' section of the task.

You should consider the following areas when completing this task:

- how well you felt that you conveyed your planned approach and activity plan in your presentation, including questions answered
- how well you feel, since completing task 1, that you will meet the intended outcomes of your approach
- how you would improve any element of your work, including working collaboratively with peers, for future practice.
