NCFE CACHE Level 5 Diploma in Leadership for Health and Social Care and Children and Young People's Services (England) (601/4312/5)

Qualification content, structure and outcomes

This qualification provides you with the knowledge and skills needed to manage practice and lead others in children and young people's services.

It has two pathways:

- Management
- Advanced Practice

The **Management pathway** is suitable for Assistant Managers and Deputy Managers working in day or domiciliary services who are looking to progress their career. It is also appropriate for Managers who have not yet achieved a vocational qualification at this level.

The **Advanced Practice pathway** is geared towards senior practitioners who would like to develop their career but wish to remain active practitioners in the management framework.

The two pathways cover a wide range of topics including:

- Safeguarding and protection
- Developing and implementing policy
- Managing care services, change programmes and recruitment
- Promoting and developing best practice
- Supporting development and partnership working
- Care management
- Quality systems and improvement

You will need to complete 6 shared core mandatory units, a group of mandatory units specific to each pathway and a selection of optional units to equip you with the knowledge, understanding and skills to achieve this qualification. The mandatory units are:

- Use and develop systems that promote communication
- Promote professional development
- Champion equality, diversity and inclusion
- Develop health and safety and risk management policies, procedures and practices in health and social care or children and young people's settings
- Work in partnership in health and social care or children and young people's settings
- Undertake a research project within services for health and social care or children and young people

In order to take this qualification, you will need to be working in the role of Deputy or Manager in an appropriate setting or have the opportunity to carry out responsibilities associated with these roles. It is also recommended that you hold a Level 3 qualification or above in a related area.
