Qualification Key Information

NCFE Level 2 Award in Principles of Fire

Safety for the Workplace (601/5651/X)

Qualification overview

Things you need to know about this qualification

This qualification forms part of a suite of qualifications which have been developed to provide learners in the workplace with a basic understanding of fire safety.

Qualification number (QN)	601/5651/X
Qualification Title	NCFE Level 2 Award in Principles of Fire Safety for the Workplace
Total Qualification Time (TQT)	10
Guided Learning Hours (GLH)	9
Entry Guidance	There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 1 qualification.
Funding	This qualification may be eligible for funding. For further guidance on funding, please contact your local funding provider.

Qualification purpose

This qualification is designed for learners who need to develop an understanding of fire safety for the workplace. It may be particularly relevant for new employees as well as nominated fire wardens, managers, team leaders and staff working in an area where there's a higher risk of fire.

Qualification structure and how to achieve

To be awarded the NCFE Level 2 Award in Principles of Fire Safety for the Workplace, learners are required to successfully complete **one** mandatory unit.

Mandatory units

Unit No	Unit title
Unit 01	Principles of fire safety for the workplace

How the qualification is assessed

The **NCFE Level 2 Award in Principles of Fire Safety for the Workplace** is assessed through an externally set and assessed multiple-choice question paper.

Benefits and Progression opportunities

The objectives of this qualification are to help learners to:

- understand the hazards and risks associated with fire in the workplace
- know how fire risk is controlled in the workplace
- understand the role of the nominated fire warden
- know the firefighting equipment that should be used in a fire and understand how it should be used.

Learners who achieve this qualification could progress to:

- NCFE Level 3 Award in Health and Safety in the Workplace
- Level 3 Award and Certificate in Fire Risk Assessment.
