QRN: 600/0046/6

About this qualification

This qualification is suitable for 16 plus learners in sixth form schools and colleges and it provides the knowledge to equip learners with an understanding of the health, social care and children and young people's sector and their role within it.

It is a part of the Health and Social Care and Childcare apprenticeship frameworks and is aimed at learners interested in, or new to, working in adult social care in England and Northern Ireland.

Entry requirements

There are no formal entry requirements for this qualification but learners will need to be at least 16 years of age.

Experience in the workplace

Learners do not need to be working or attend work placements to complete this qualification, it is knowledge only.

Assessment

The qualification will be pass or refer and is internally assessed by a Portfolio of Evidence. This can be in any chosen format e.g. paper based, electronically created and stored etc.

The Centre will be responsible for deciding what type of proof the learner will need to collect to evidence all the assessment criteria has been met.

For more information

Full details of this qualification can be found on our website www.cache.org.uk or on our secure Centre website cachezone.

CACHE was established in 1945 by the Ministry of Health under the name of the National Nursery Examination Board (NNEB). The board set the syllabus for the first national examination which took place in 1947. In 1994 the NNEB merged with the Council for Early Years Awards to form CACHE. In 2001 we incorporated the National Association for Maternal and Child Welfare and in 2015 we became part of NCFE. Over the years we have continually invested in high quality qualifications. Written and developed by experts, they have helped millions of learners across the world to raise professional standards, earning us a reputation for excellence and leadership across the sector. Our continued dedication to those who care for children, young people and adults means that our qualifications will continue to meet the needs of a modern workforce.
