

# Summary of changes

## Qualification title

NCFE CACHE Level 2 Certificate in Understanding Autism (601/6330/6)

**This document summarises the changes in the qualification specification. Please now use the most recent version which is available on the qualification page.**

**Unit 03** The description of the term ‘specialists’ has been expanded.

**Unit 04** The description of the term ‘senses’ has been reworded to differentiate the proprioception and vestibular senses from the 5 traditionally recognised senses.

Links to National Occupational Standards and ‘Autism skills and knowledge list’ has been expanded to:

- include more links to National Occupational Standards
- include links showing where this qualification covers the content of the Skills for Care and Skills for Health ‘**Autism skills and knowledge list**’ - a publication recommended for workers in generic health and social care and services.

You can visit <http://www.skillsforcare.org.uk/Skills/Autism/Autism.aspx> for more information on the publication.
