Guidance information

All qualifications covered by this timetable are subject to Department for Education technical guidance. Please refer to the [Performance Tables Quick Guide](#) for further information.

Learners are limited to two attempts at the external assessment and must undertake an alternative assessment when taking a re-sit.

Essential resource information and assessment conditions can be found in the [OSID](#).

Centre responsibilities

The external assessments must be completed in line with our [Regulations for the Conduct of External assessment](#). Centres must ensure that all staff involved in the external assessment have read and understood the regulations.

Entering your learners for an external assessment

Some qualifications will require you to make the entry upon registration, for all others this is managed as a separate process and it is the centre's responsibility to ensure learners are entered for the appropriate assessment window/date. Entries, including re-sits, must be made via the entries screen in the NCFE Portal. Please refer to the [Portal Handbook](#) for further guidance.

Entry cut-off

All learners must be entered via the NCFE Portal by the advertised entry cut-off date in this document. Any late entries will be subject to an additional late entry fee as detailed in our fees and pricing document for NCFE or CACHE. Please contact our Customer Support Team to discuss any late entry requirements.

Reasonable adjustments

If learners require reasonable adjustments these must be submitted in line with the published timescales in our [guidance](#) and policy document. Failure to do so may mean your learner/s will not have approval in place for the assessment.

Assessment date

Set date/time: The learners must sit the external assessment at these dates/times in line with our Regulations for the Conduct of External assessment. You will need to complete the [assessment variation form](#) if the assessment date/time clashes with another external assessment/examination. For assessments with published starting times, centres are enabled to start assessments by up to 30 minutes earlier than, or later than, the published starting time without the requirement to submit an assessment variation request for approval. If the amendment to time is greater than 30 minutes prior approval must be agreed.

Assessment window

At the beginning of delivering the qualification, you must plan the supervised and/or invigilated sessions within this window. Timetables may be checked by External Quality Assurers.

Pre-release / stimulus materials

For any external assessments where pre-release/stimulus assessment materials are required, these will be provided a minimum of 5 working days prior to the date of the external assessment/start of the assessment window. Please refer to the [QSID](#) for further information.

Return of external assessments

Partially or fully completed learner work, and the External assessment Register(s)/Submission List, must be returned to NCFE by special delivery/secure courier within one working day of the external assessment taking place or the final timetabled supervised/invigilated session.

Late return fees will apply to any completed external assessment material that is not received 48 hours after the external assessment.

For the Level 2 Certificate in Creative Studies: Art and Design, and Level 3 Applied General in Art and Design, learner work must be retained securely at the centre in preparation for the Examiner Visit.

Results release

The external assessment results will be released on the date highlighted on the assessment window specific to the qualification. You will be notified if any results are placed on hold and the reason why. Results can be viewed in the Portal.
