

Qualification factsheet

Qualification overview

Qualification title	NCFE Level 4 Award for Technology Enabled Educators		
Qualification number (QN)	601/4775/1		
Total qualification time (TQT):	110	Guided learning hours (GL)	92
Entry requirements:	Entry is at the discretion of the centre. However, learners should be aged 19 or above to undertake this qualification. Learners will need to be in a teaching or training role and have achieved a relevant teaching or training qualification (ideally a Level 3 Certificate or above).		

About this qualification

This qualification is designed for college educators, training providers and commercial trainers to develop the use of technology within teaching and learning. This is in response to the emerging national requirement for the wider use of technology as recognised by the work of the Further Learning Technology Action Group (FELTAG).

The objective of this qualification is to:

- support the continuing professional development of school and college educators, training providers and commercial trainers to use technology in ways which inspire their learners and enable them to embed technology effectively in the learning process.

Qualification structure

To be awarded the NCFE Level 4 Award for Technology Enabled Educators, learners are required to successfully complete 4 mandatory units.

Mandatory units

Unit 01 Learning technology in the context of teaching and learning
Unit 02 Developing digital skills and a learning technology toolkit
Unit 03 Curriculum planning for the use of learning technologies
Unit 04 Curriculum delivery using learning technology

Assessment

The NCFE Level 4 Award for Technology Enabled Educators is a competency-based qualification which is internally assessed.

Progression opportunities

Learners who achieve this qualification could progress to:

- NCFE Level 5 Diploma in Education and Training
- University Certificates or Diplomas in Learning Technology
- University Certificates or Diplomas in Computing
