

# just the facts.

## NCFE Level 2 Certificate in Business and Enterprise

(601/0048/5)

V Certs are a suite of high quality qualifications, which are appropriate for Key Stage 4 learners who are motivated and challenged by learning through hands-on practical content. They are a technical alternative to GCSEs with equivalent levels of rigour and challenge.

The NCFE Level 2 Certificate in Business and Enterprise is designed to provide learners with broad and comprehensive understanding of business and enterprise and a significant knowledge core which spans across the sector.

### What will your learners learn?

Your learners will gain a broad understanding of Business and Enterprise including the following:

- start-up projects and how to identify risks and rewards
- market research, different marketing opportunities and techniques
- knowledge and understanding of business finance
- developing project plans, implementing projects and evaluating success.

**Remember:**
